

NOTICE OF 2017 TAX YEAR PROPOSED PROPERTY TAX RATE FOR

City of Georgetown

A tax rate of \$0.420000 per \$100 valuation has been proposed by the governing body of City of Georgetown. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of City of Georgetown proposes to use revenue attributable to the tax rate increase for the purpose of growth in demand for services in planning, public safety, recreation and transportation.

PROPOSED TAX RATE	\$0.420000 per \$100
PRECEDING YEAR'S TAX RATE	\$0.424000 per \$100
EFFECTIVE TAX RATE	\$0.404790 per \$100
ROLLBACK TAX RATE	\$0.433335 per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Georgetown from the same properties in both the 2016 tax year and the 2017 tax year.

The rollback tax rate is the highest tax rate that City of Georgetown may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS FOLLOWS:

$$\text{property tax amount} = (\text{rate}) \times (\text{taxable value of your property}) / 100$$
